

**EVANS WATERLESS COOLANT
APPROVED & ALLOWED FOR USE ON NHRA TRACKS**

NHRA CHAMPIONSHIP DRAG RACING

2035 FINANCIAL WAY, GLENDORA, CALIFORNIA 91741-4602 • (626) 914-4761

To: Evans Cooling Systems, Inc.

Date: May 16, 2018

This letter verifies that Evans "engine coolant" product is authorized for use in competition at NHRA-sanctioned events, including both national and divisional races. NHRA also acknowledges that Evans is a participant in the NHRA Contingency program. Any competitors that are interested in vying for Evans contingency postings should consult www.NHRARacer.com and Evans' contingency website, prior to purchase / participation to ensure all guidelines are satisfied.

If you have any questions concerning this letter, please contact the NHRA Technical Department at (844) 468-7631.

Sincerely,

A handwritten signature in blue ink, appearing to read "Glen Gray".

Glen Gray

NHRA

Vice President, Technical Operations
